ABOUT SRI NAMMALWAR SABA

Sri Nammalwar Saba, located in the vibrant city of Tirunelveli, is a non-profit charitable organisation established with a profound vision. Our foundation rests upon the timeless principles of devotion, wisdom, and compassionate service to humanity, all underpinned by the universal idea of God.

OUR CORE TENETS

Spreading Devotion through Songs and Hymns

We believe in the power of music and poetry to elevate the spirit. Through various cultural activities and prayers, we endeavour to propagate devotion in its purest form, enchanting hearts with sacred songs and hymns that resonate with divine love.

Sharing the Wisdom of Divinity

A cornerstone of our mission is the dissemination of profound spiritual knowledge, with a particular emphasis on the rich traditions of Vaishnavism. This is achieved through meticulously researched journals, insightful magazines, and dedicated academic research, making ancient wisdom accessible to contemporary seekers. Our flagship publication, 'IraiNeri' [இறைநெறி] is a testament to this commitment.

Offering Public Support with Divine Inspiration

Our commitment extends to tangible community support. We strive to establish and nurture educational institutions, provide solace and care in orphanages, and offer healing through medical homes. In every one of these undertakings, the guiding principle is the inculcation of divine values and selfless service, ensuring that our actions are always aligned with a higher purpose.

Sri Nammalwar Saba is self-sustained and so we humbly clarify that we do not solicit or accept any donations from the public.
